☒ **You Only Live Twice** - Your hair is never mussed, cuts you receive always avoid your good side, and your sex appeal is never reduced over the course of a movie. When you die, it's never horrible or nasty, just quick and clean.

At the beginning of every new movie, you receive 3 Smooth Points. Use poker chips or coins to represent them. Every time you would take a point of harm, you may spend a Smooth Point to make it simply disappear. The action still happens: the bad guy shoots at you, you're caught in the explosion, the airplane crashes. You simply get off scot free with nary a scratch on you. This can protect you from death, even if you're in a Supporting Role.

In addition, you look so damned cool doing it that you actually use the awe you create to your advantage. When you would take harm and use a Smooth Point, take the amount of harm which disappeared forward to your next move (ie, if you spend a Smooth Point to mitigate 2 harm, take +2 forward).

☐ **"Just a drink, a martini, shaken not stirred."** - +1 to Magnetism (max +3).

☐ **Make It Look Good** - You can use +Magnetism when making a Stunt move.

☐ **Motion of the Ocean** - Receive a +1 to rolls when you make Love Scene or Getting What You Want moves.

☐ **The Spy Who Loved Me** - Once per movie, you may designate one NPC you meet as your primary romantic interest. This NPC becomes intertwined with your character and grants you +2 to Love Scenes. When you designate your love interest, roll +Drama:

On a 10+, your romantic interest has plot immunity, much like the Lead Role. Gain +1 XP at the end of the movie, should you both survive.

On a 7-9, hold one. Spend the hold one for one at any point to have your romantic interest:

- Die by taking a hit for you when you suffer +harm.
- Be taken by the Villain instead of you when you might be captured or separated from your friends.
- Fatally sacrifice him/herself in order to prevent your death.

On a miss, the NPC becomes a secondary villain with a fixation on you. The Director may make an immediate move against you, with the new villain central to the proceedings.
